SKILLS

- **Languages:** Java, C,C++,Python,R
- **Technical Skills:** DSA,Tableau,Excel
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability

PROJECTS

- **Prime Palindrome Number:** November 2022
Developed a Python program to check whether a given number is both a **prime** and a **palindrome**.A **prime number** is only divisible by 1 and itself.

A **palindromic number** reads the same backward as forward (e.g., 131, 16361).
The program combines logic for prime checking and string reversal to identify numbers that meet both conditions.

Tools used: Python, conditional logic, loops, and functions.
- **Book Management System** April 2023
This System was created with the help of file management system and C++ as a coding language, In this, We can add new book, check the books which are present, remove the books and at last, can withdraw.
- **Netflix Dashboard:** November 2024
Created an interactive dashboard to analyze Netflix's content library using data visualization tool. The dashboard displays insights like:
 - Distribution of movies vs. TV shows
 - Most common ratings and genres
 - Year-wise content growth
 - Country-wise content availability
 - Detailed info on selected titles

CERTIFICATES

- IBM Devops and Software Engineering (Coursera).
- Programming in C++: A Hands-on Introduction(Coursera)
- Data Structures and Algorithms (Udemy).

ACHIEVEMENTS

- Acquired hands-on solving competitive problems using Data structures using java programming language and gaining proficiency in core concepts and techniques.
- Acquired in-depth knowledge and practical skills in utilizing various data structures, such as arrays, linked lists, trees, and
- Developed a strong proficiency in solving complex problems by employing efficient algorithms, enhancing problem-solving skills and algorithmic thinking in a Java programming environment
- Solved 200 questions using java
- Solved 90+ questions on leetcode
- Solved 20+ questions on geeks for geeks

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.00 Since August 2022
- **Sanyasi Sr. Sec. School** Chhapra, Bihar
Intermediate; Percentage: 63% April 2020 - March 2022
- **Dev Rishi Vidya Niketan** Sonipat, Haryana
Matriculation; Percentage: 81% April 2018 - March 2020
